Dedication

*The Senior Class would like to dedicate
the 1984 Hilltop to their parents.*

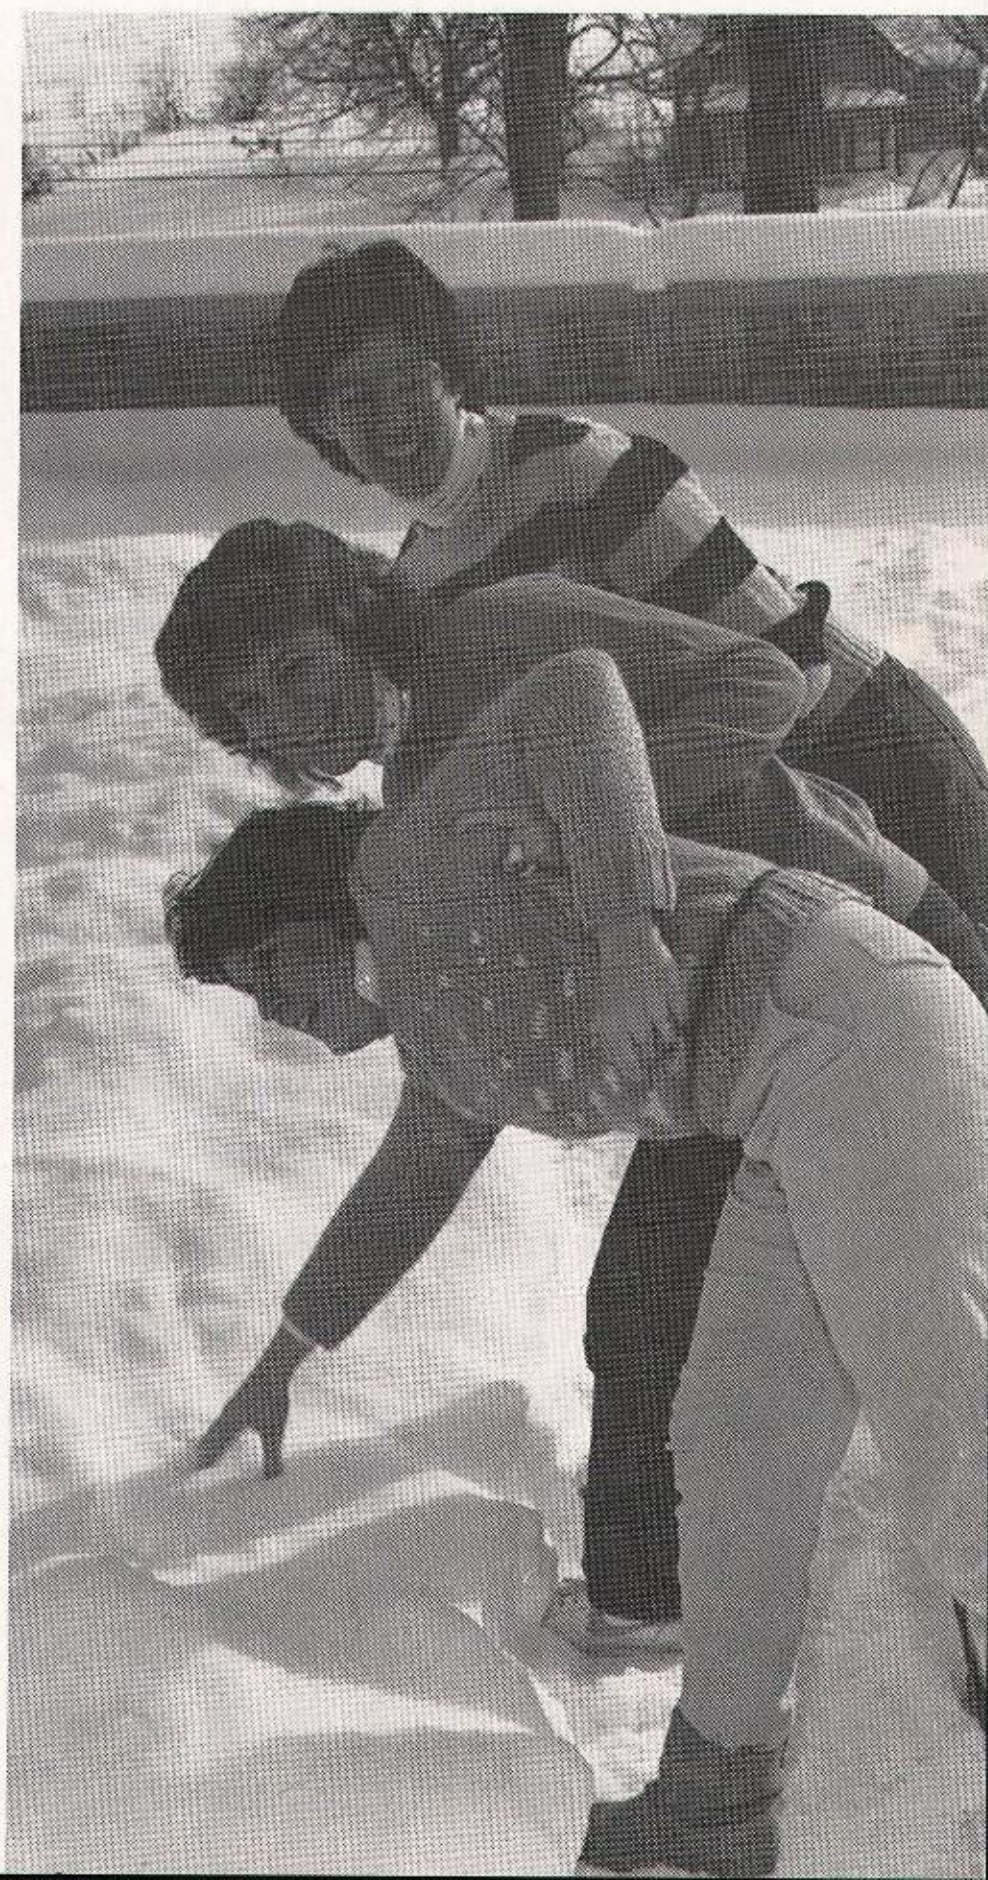

*As we grow older,
And we begin our new lives,
From graduation to college,
To face new troubles and strifes,
We look back upon each day,
And see clearly who has been there,
To help us through.
Our parents.
They were there to lend a hand,
From when we started to walk,
To the day we drove a car.
And they watch with glowing pride,
As we receive our diploma,
and the appreciation in our eyes.
Our parents may scold,
and tell us when we're wrong.
But our love and appreciation for them,
will always last long.*

"It's time for moving on my friend"

Hold back the tears and sorrows.

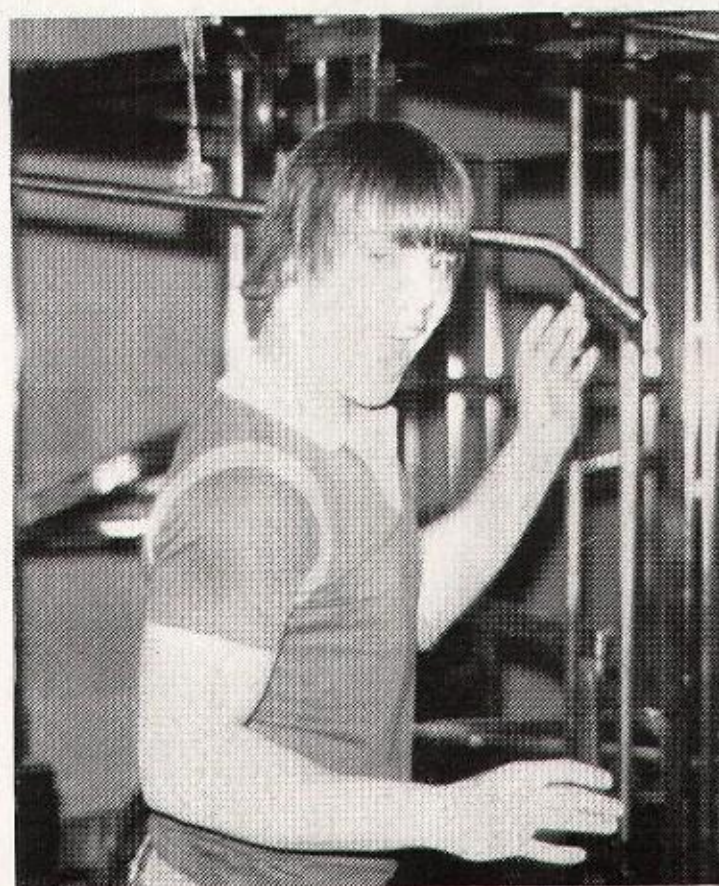

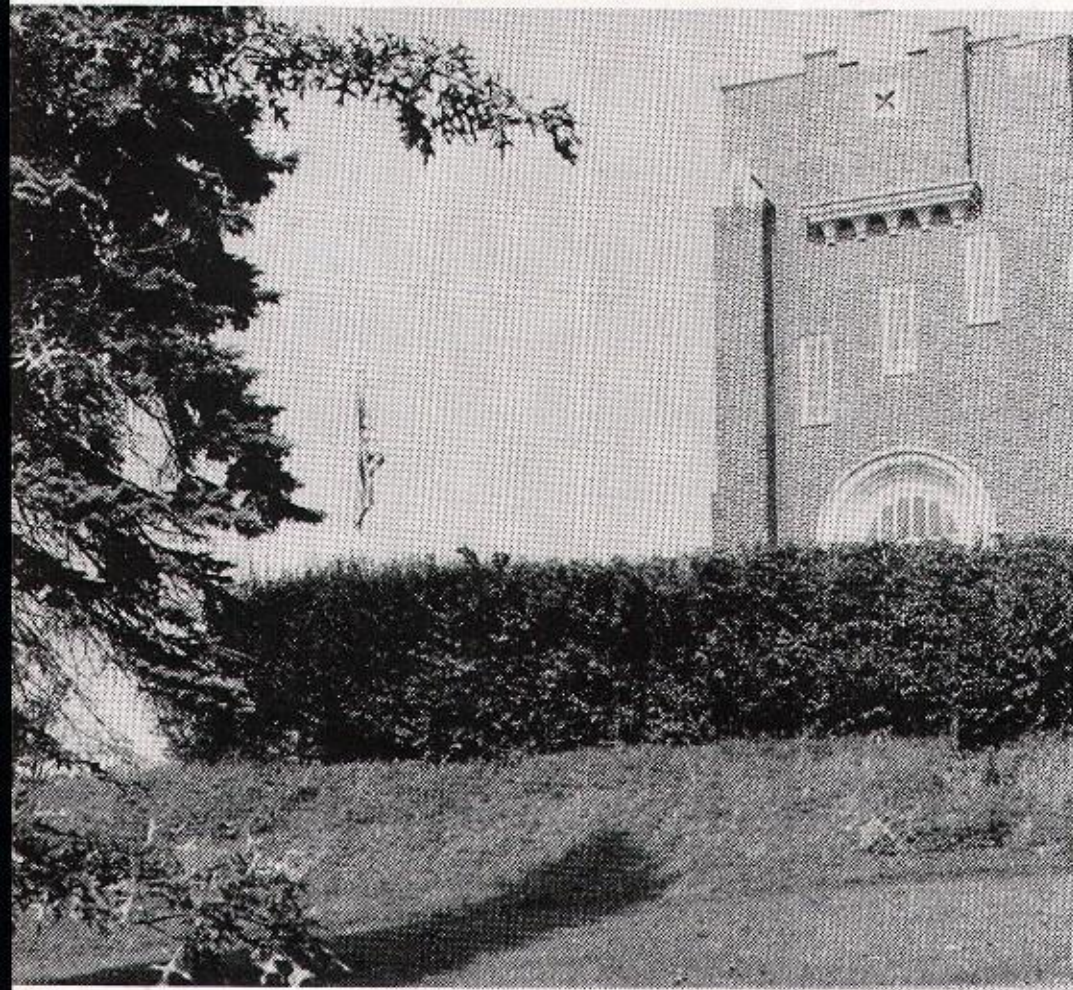

*It's finally time to go
our separate ways*

I want to wish you well, my friend

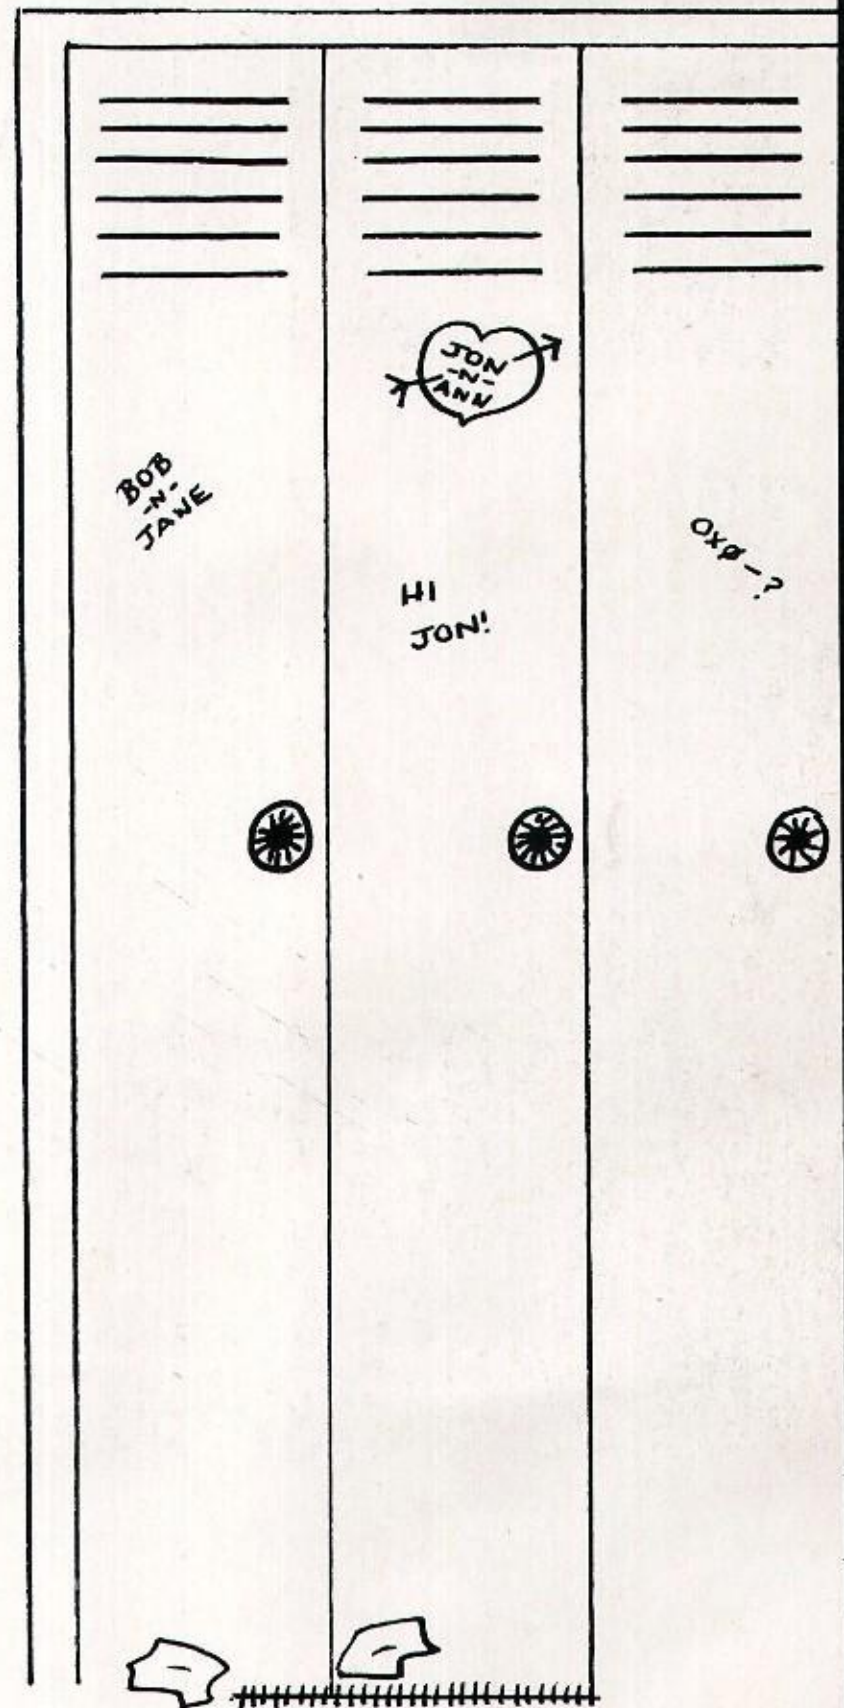

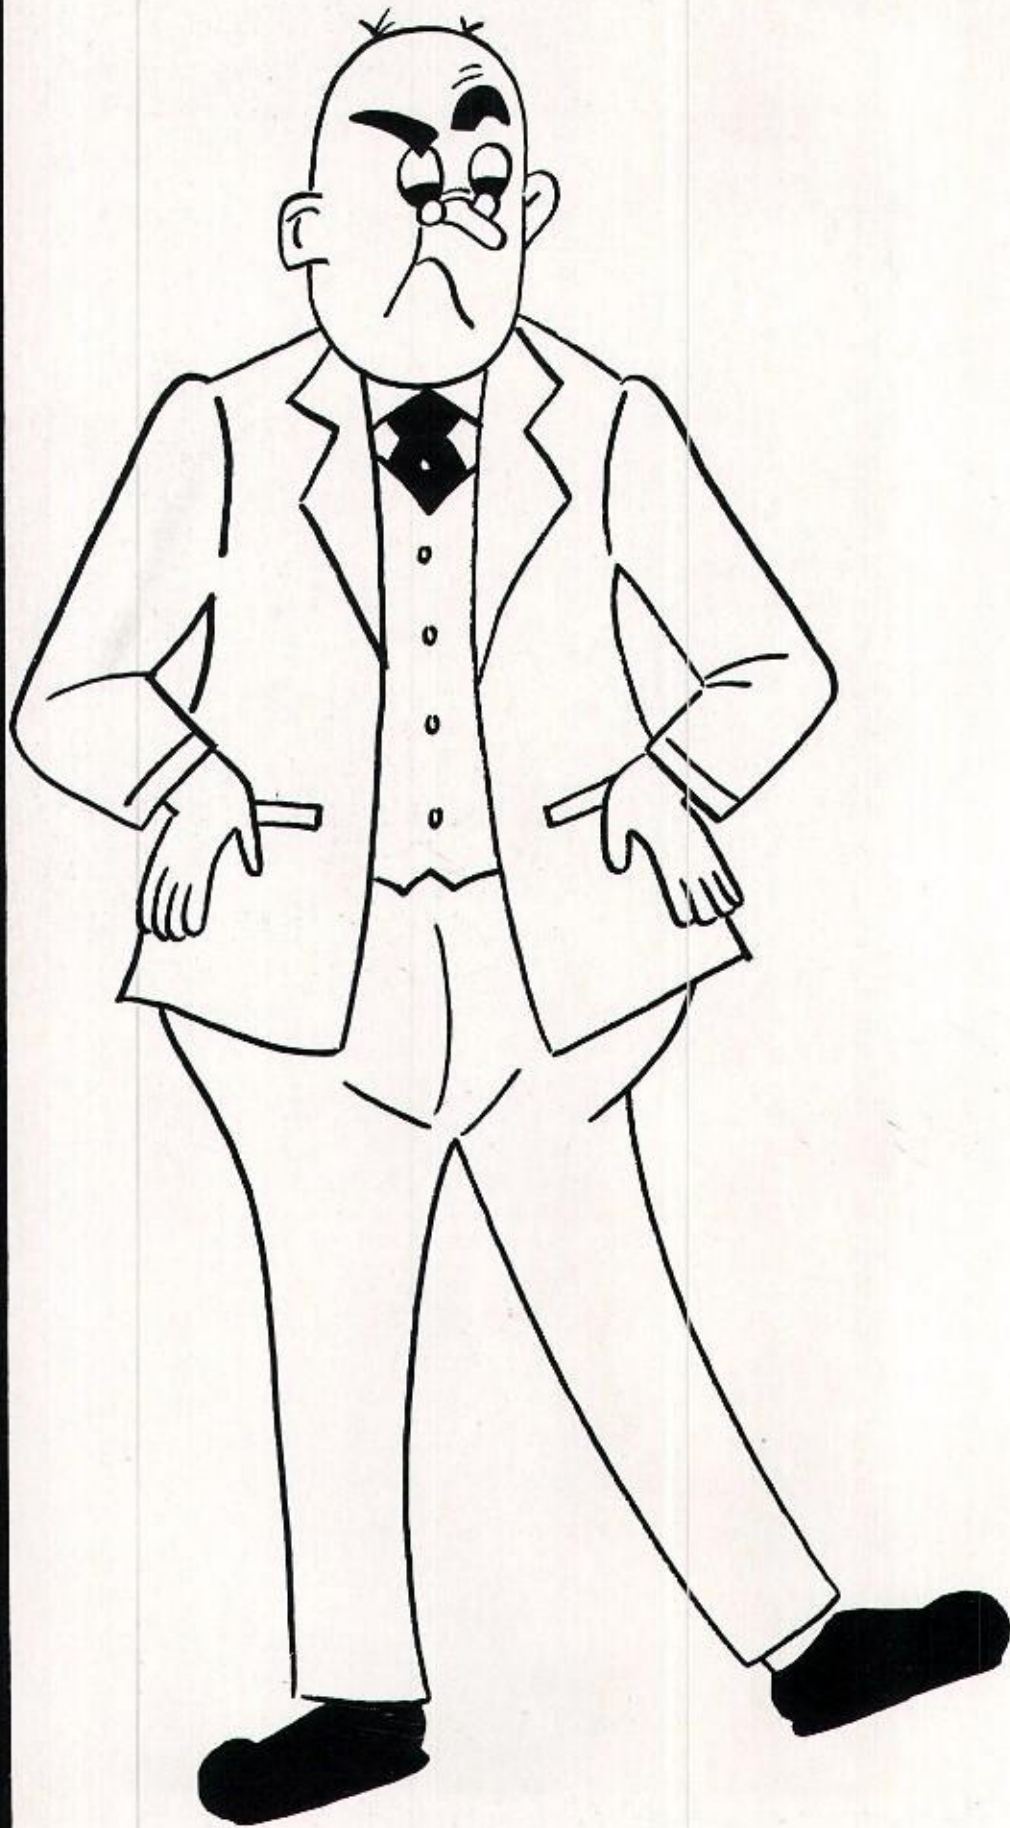

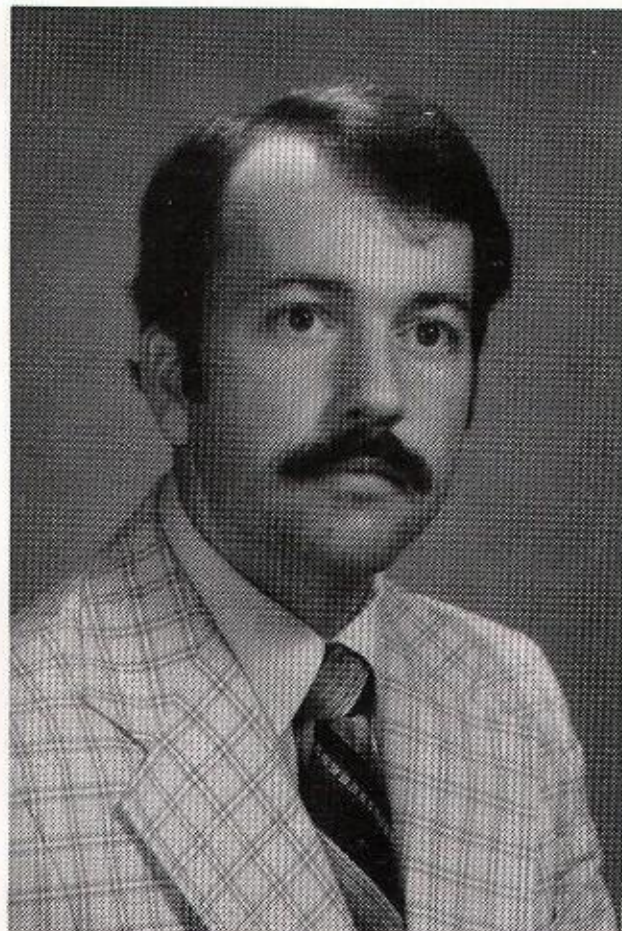

as we search for new tomorrows

Go as you must but please—don't forget the yesterday."

From Our Principals

As you are now aware, time sure passes quickly. I know you are looking forward to the years immediately following your graduation from R.C.S. As seniors, I consider you adults and leaders of our school. Now society recognizes you as adults and it is up to you to meet any and all challenges placed upon you and become leaders of your community.

With your high school graduation, you have reached one major goal in your life and you are considered a success by all. Keep a positive attitude about yourself, be a self motivator, set high goals and you will continue to be a success.

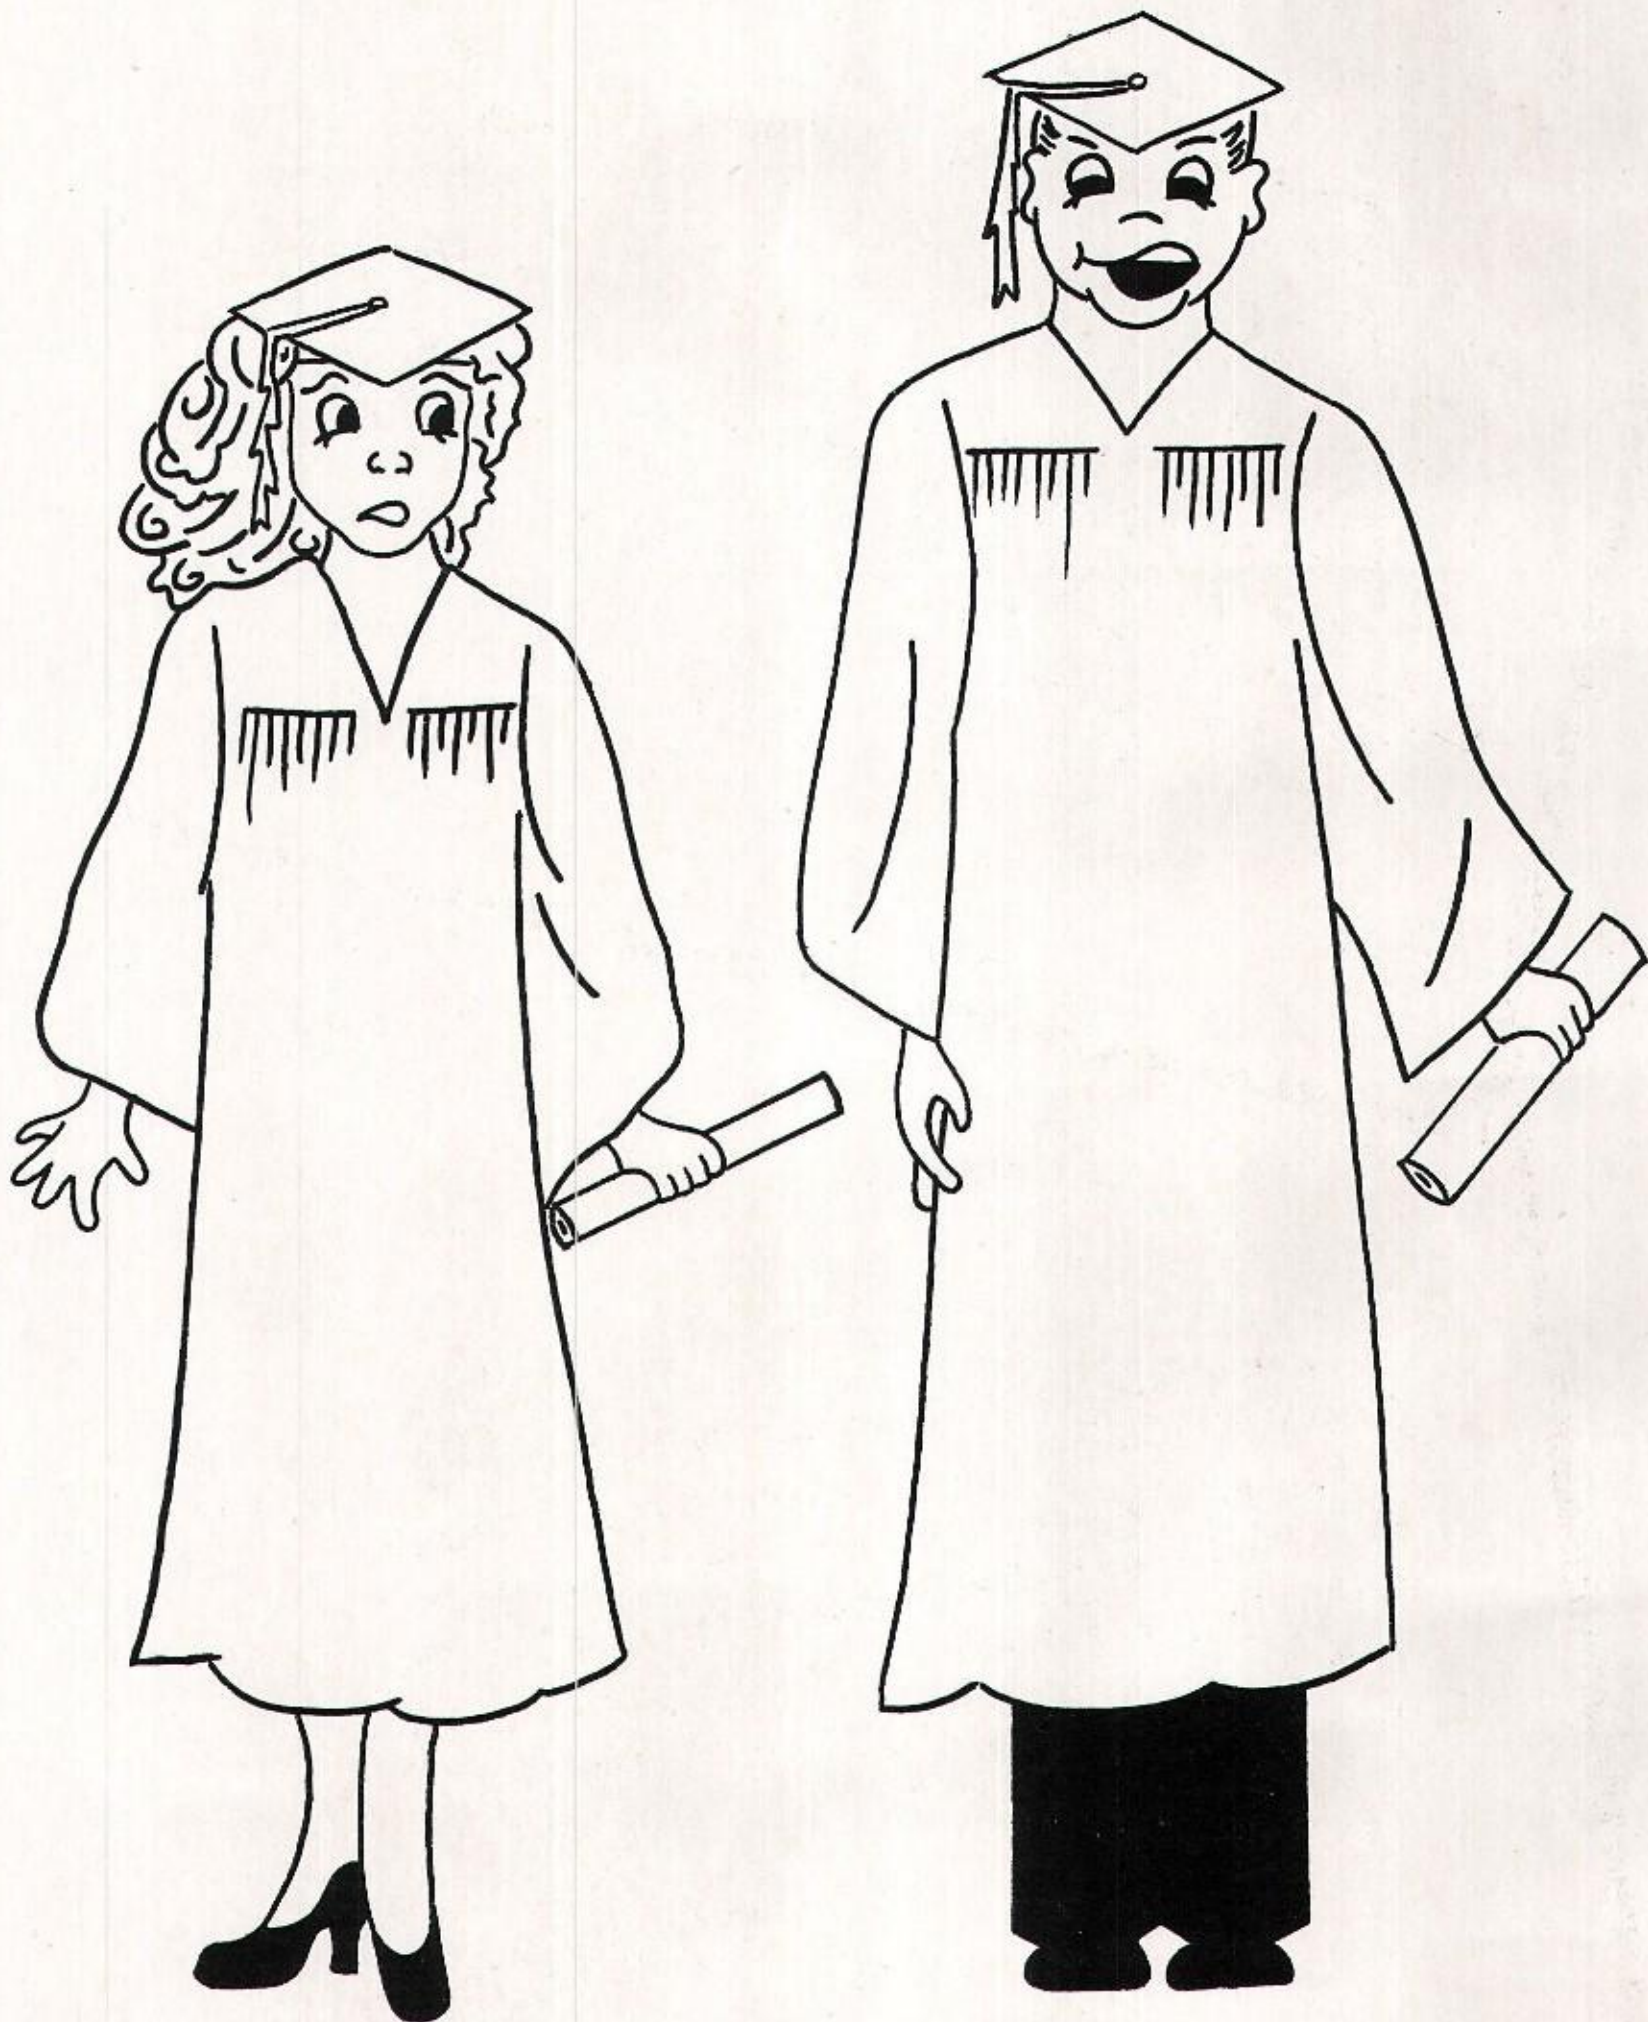

This has been my first full year at Randolph Central School and it has been my privilege to have known you. On behalf of the faculty and administration, I wish you well in all your future endeavors. You are always welcome in your school. Once again, congratulations.

Stephen A. Bocciolatt
Secondary Principal

Congratulations to each member of the Class of 1984. Yours is the age of computers, lasers, and other rapidly developing technological advances. As you now enter your next phase of life, we who will now become part of your past, hope that what you have learned during your years here at Randolph will serve you well as you meet the challenges of the technological age. Best wishes in all you do.
